Rotary cutter, small mat

Small square ruler with a diagonal (45) line—I use Omnigrd 9-1/2" square

Pigma Brush tip pen (available in class \$3)

I have provided two options for you to choose from -- with or without borders - the fabric requirements are different, so please choose your option and purchase fabric accordingly

ALTERNATE BLOCKS: Either option

Assorted small prints of greys, white on black and black on white. A minimum of **(14) long quarters**.

Cut (2) 9" squares from each long quarter first. Place in a separate baggie. You will need a total of

(43) 9" squares (no border)

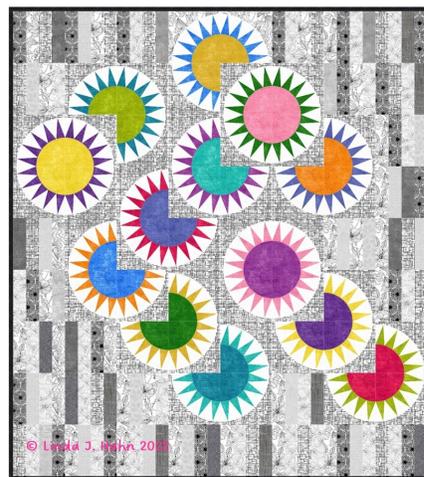

(49) 9" squares (with border)

From the remainder of those fabrics, cut as follows:

Strips in increments of 2-1/4", 2", 1-3/4", 1-1/2" and 1-1/4". It's ok to have more than one of each size.

You may wish to have some extra fabrics available for more variety.
