

COLOR POP

Approx. 56" x 56"

This quilt is designed using just ONE block.....it's where you put the colors that create the secondary and tertiary patterns within the quilt!

GENERAL SUPPLIES:

Your machine (if not supplied by the venue) with a new needle. Don't forget the cord and foot pedal!

Neutral color thread on top and in bobbin

Scissors and straight pins

Your favorite fabric marking tool (I use a Clover Chaco-liner in grey or white)

Small square ruler (I use an Omnigrid 9-1/2" square)

Rotary cutter with a sharp blade and a personal size cutting mat

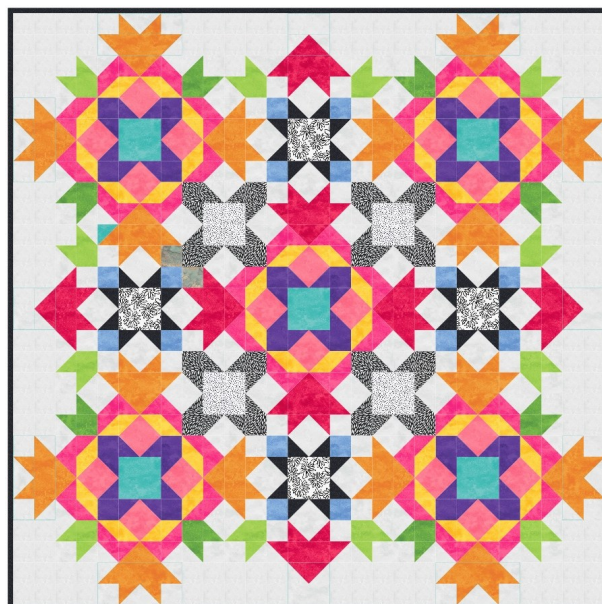

FABRIC REQUIREMENTS:

Please pre-cut your fabrics according to the cutting chart on the next page. Sort into baggies and label. If you are using different colors than what I used in the sample (which you are most welcome to do), please tape a snip of the fabric that you are using over the fabric in the cutting chart so that you can easily identify which of your fabrics corresponds to my fabrics.

On page (3) - I have included some cutting diagrams that will help you in cutting the White/Background fabrics. Please review before you start cutting.

PRE CLASS PREP:

Per the "pairing list" of fabrics cut from the 6-1/2" x WOF strips, please pair the indicated size strips together with the same size cut of the White/Background fabric—RIGHT SIDES together. Pairing ahead of time will save us some time in class.

Required Kit:

Includes full color pattern, class handout with additional tips, pre-labelled and pre-cut Triangles on a Roll. Fabric NOT included.

Payable to instructor in class. Cash preferred
